Boston Pride Parade Rules and Regulations (Registration Form)

37

Code of Conduct

When planning your contingent, please consider the diversity of the community and audience at the event. People participate in Boston Pride for many reasons: to celebrate, to make a political statement, to have fun, to showcase their business or group, to include family members, and to show support. The Boston Pride Committee respects everyone's right to express themselves as they choose. The Boston Pride Committee is not a law enforcement agency and does not participate as a law enforcement agency. The Boston Pride Committee does not endorse or encourage illegal behavior by anyone participating in or attending the event. Additionally, the Boston Pride Committee does not support any form of homophobia or attempt to censor freedom of speech or freedom of expression so long as it does not infringe on the rights of others. The Boston Pride Committee is the event permit holder for this event and reserves the right to deny participation and/or registration of any group or individual who may be considered unacceptable to participate by the rules of such permit and the community. The Boston Pride Committee will abide by all Massachusetts laws governing public decency. Any individual or group who violates these laws may be removed from the event by the City of Boston and the Boston Pride Committee.

Rules and Regulations

By submitting your application, you agree to:

- 1. Have two (2) Marshals serve as points of contact between the Parade staff and your group. Marshals are required to attend one Marshal Orientation Meeting prior to the Parade. The representatives from your organization attending the Orientation Meetings must be the same persons who will act as Marshals on the day of the Parade. If that is not the case, your organization will not be allowed to march in the Parade. Marshals must enforce the instructions provided by the Parade staff. Failure to comply with said instructions will result in the removal of your group from the Parade and possible exclusion from future Pride Parades.
- 2. Follow any and all instructions from the Parade staff. Any float, vehicle, or motorcycle, which is operated against instructions, will be removed from the Parade and may be subject to fines and exclusion from future Pride Parades.
- 3. Have at least two (2) volunteers from your organization who will be responsible for walking on each side of each vehicle, motorcycle group, or float to ensure the safety of all involved and alert drivers to potential problems.
 Failure to provide such volunteers will result in exclusion from the Parade.

39

Rules and Regulations

By submitting your application, you agree to:

- 4. Have adequate insurance for your vehicles on the day of the Parade. The Boston Pride Committee and the City of Boston are not liable for any accidents or injuries which are due to motor vehicles, floats, or motorcycles. All drivers of any vehicles must be duly licensed and show a valid driver's license on the day of the Parade at registration, and to law enforcement officials upon request.
- 5. Have no open or closed containers of alcoholic beverages. If any are discovered, the vehicle and/or its associates will be removed from the Parade.
- 6. Make sure that no object is thrown at spectators and persons in the crowd (including Police Officers) from your group.
- 7. Proceed so as not to impede the orderly flow of the Parade. Groups shall
 neither move too quickly nor stop unless instructed to. Any vehicle, float, or
 motorcycle that experiences any mechanical difficulty must pull to the side of the

- 8. Enter and exit the Parade route as instructed by the Parade staff and the Boston Police Department.

Rules and Regulations

By submitting your application, you agree to:

- 9. Turn off all sound systems between 6:00 am and 11:30 am so as to not interfere with church ceremonies and neighbors in the area. Sound checks should be done prior to staging. If instructed, sound systems must be turned off at any time during the Parade.
- 10. Respect one minute of silence at 12 noon and enforce this respect within your group.
- 11. Refrain from collecting monetary donations along the Parade route. Failure to comply will result in the removal of your group from the Parade and possible exclusion from future Pride Parades.
