CONFERENCE INFORMATION

InterPride 2012 Boston is the Annual World Conference of InterPride, the International Association of Pride Organizers. Boston Pride was one of the founding members of the InterPride and is therefore proud to be hosting the 30th Anniversary Conference so that members and guests can return to the city where it all started to share, learn, grow and celebrate.

Attendees: InterPride members, pride organizers, members of pride organizations, LGBTQ activists, event planners, community leaders, members of student or corporate diversity committees, corporate sponsor representatives, public agencies wishing to engage with the LGBTQ community... and more!

Why participate: to learn about event planning and best practices, to network with fellow activists and organizers, to find methods to increase the scope of the international Pride movement and community events, to educate and energize our communities.
